1) SPEAKER INTRODUCTION

(please feel free to edit where appropriate)

“I am very pleased today to introduce our speaker GLENN LIM. Many of you have probably heard of his work through the media and papers. Glenn is an inspiring role model and public speaker. As a young rock musician he came close to a life sentence for importing drugs in his youth. Thankful for his second chance, he has made good and has since served as an itinerant keynote speaker, trainer, counsellor and ambassador. He has a passion for youth and youth work, and has been recognised for his efforts in youth outreach and rehabilitation, working closely with many government and community agencies.

In 2005 he won the 'Singapore Youth Award', Singapore's highest youth accolade. In 2006, he was awarded the prestigious 'ASEAN Youth Award'. In 2007 he was conferred the distinguished 'Outstanding Young Person of the World 2007' Award in Turkey.

We are very fortunate to have Glenn speak to us today. Please join me in welcoming Glenn Lim.”
